ASHISH DALWANKAR (CPS,KR)

Dear Readers,

Warm greetings to you all.

Another academic session in the history of Centre Point has come to an end. A year back we stepped tentatively into the physical mode after a long gap of 2 years but on coming back our children brought the campus back to life with so much enthusiasm, happiness and cheer. We look back at the year gone by with a sense of satisfaction. It's been a great year packed with activities, programmes and events in all the branches of Centre Point namely the Senior Concerts, the Junior Sports, the Fetes, Project Displays, Censports, Cenfest, Centunes, CENMUN and an endless list of competitions.

The inclusion of these activities and events in our calendar always bears witness to our commitment to providing the best learning experiences possible for our students.

We are proud of the accomplishments of our students, both academically and beyond. We encourage our students to participate in a variety of extracurricular activities, including sports, arts, and community service, to develop a well-rounded education and become responsible and engaged citizens.

From the school's point of view, it is our endeavour to constantly upgrade and offer the very best to our students. You must have noticed some infrastructural changes in the school premises and you can look forward to further upgrades in the future. Apart from this, we intend to introduce many more new features in the next academic session both in academic as well as in co-scholastic areas, to help develop a variety of skill sets among our students. We are proud of our pedagogical practices and we are committed to offering a child-centric and secure learning environment for our students.

As we look to the future, we are committed to staying at the forefront of education and innovation. We recognize the rapidly changing world we live in and the need to equip our students with the skills and knowledge to thrive in it. We will also be putting up new age Senses touch screen boards in the classes, so that our students are at par with the very best in the education field. We have invested in the latest technology and resources to enhance the learning experience and prepare our students for the challenges of the 21st century.

With our amazing team of talented students, brilliant staff, and faculty as well as supportive parents, I am looking forward to the coming academic year 2023-24 with anticipation confident that our ethos is intact and we will continue to embody the culture of excellence.

SO LONG! FAREWELL CLASS 10!

The outgoing batch of Class 10, Centre Point School, Katol Road, Nagpur, was accorded a warm farewell by the school on 23rd March 2023 in the NKP Salve auditorium of the school. It was a glittering ceremony, resplendent with pretty ladies in sarees and suave gentlemen in tuxedos. It was an evening to remember.

The class 9 students put up a small programme for their seniors. Kritika Uppal and Vardaan Malhan ably compered the entertainment programme. The evening began with an invocation to God through dance. The band belted out popular foot-tapping numbers and the vocalists set the tone for the evening. The electrifying dance performances by the spirited juniors set the stage on fire.

The proceedings of the evening were further conducted by Mrs. Nisha Banerjee. The games, conducted by the teachers saw the students participating eagerly to win for their respective

END OF THE SESSION 'FUN FIESTA' FOR CPSKR CLASSES 1, 2 AND 3

As the end of the academic session 2022-23, teachers of classes 1, 2 and 3, Centre Point School, Katol Road, planned to spend a day full of fun and frolic with their little darlings. For this special day, the students wore casual attire based on a separate colour theme for each grade. They were welcomed for 'Fun Fiesta' on 11th April, 2023 which commenced at

9:15 am and ended at 1:00 pm. They indulged in a wide range of activities including Art, Craft, Dance, Music, Movies and Games.

The day full of fun started with the last morning assembly of the session. Shilpee ma'am, Director Principal, reflected upon the year that was and made some very special announcements for the year to come. All the students were excited to know that the new primary library of the school will be open for students during the summer vacations too.

After the assembly, the students dispersed class wise for various activities including games, art and craft. In the 2nd half of the school day the students assembled in the school auditorium where they saw short, motivational and entertaining movies. Their teachers then took the stage and regaled the little cherubs singing, acting and dancing on stage to the tunes of their favourite songs. The TORRINS music instructors also pitched in with their pulsating music and songs. The celebration continued as the students joined the dance party with their subject teachers and got pictures clicked at the photo booths.

The day of merriment for the students was a day of nostalgia for their teachers.

CPS, KATOL ROAD JUNIOR LIBRARY INAUGURATED

Inauguration of Library

The new Junior Library of Centre Point School, Katol Road for the young students of classes 1 to 5 was inaugurated on 10th April' 23 at the hands of Ms. Sanjna Kapoor, daughter of legendary actors Shashi Kapoor and Jennifer Kendal. She is well known as a voracious reader and a passionate theatre personality working with schools.

A short programme was collated to highlight the importance of books and how they enrich lives. The programme, held in the school auditorium commenced with a skit performed by the cherubs of classes 1, 2 & 3 which highlighted how reading fires imagination. Under the able guidance of the teachers of the English Dept students of classes 9, 10 & 12 enacted and gave superb rendition on the theme 'Emotions And Relationships in Shakespeare's Plays', which brought applause from the audience including Ms. Sanjna Kapoor, Ms. Timira Gupta, Mrs. Mukta Chatterjee, erstwhile Executive Director, Centre Point Group of Schools, parents and teachers. A special welcome was extended to the parents of the Readers of the Week. Students of class 9 and 10 were appreciated for their energetic performance in the Hindi Nukkad Natak – Pustakalay – Humare Bhavishya ke Sanrakshak. The scripting and training was done by teachers of the Hindi dept.

Sanjna Kapoor Inaugurating the Junior Library of CPS, Katol Road

This was followed by Sanjna Kapoor's address in which she mentioned the importance of reading for fun and knowledge. A powerful 'Read Aloud' of a story by Ms Timira Gupta, an Arts

Based Therapy (ABT) practitioner, an authoress and a close associate of Sanjna Kapoor in conducting the Artful Teachers Workshop won the hearts of the audience. Mukta Ma'am then addressed the gathering and impressed upon the students the importance of using the library and delving into the richness that books offer.

Among loud applause from the students, Mrs. Shilpee Ganguly, Director Principal in her address declared the commencement of the English Literary Club from the new academic session.

The well stocked Junior Library was inaugurated by Sanjna Kapoor surrounded by excited students who were eager to visit their library. Parents were highly appreciative of the spacious reading spaces and well stocked bookshelves in the library creating a 'Relax and Read' ambience for their little ones.

A TIME TO SAY A FOND ADIEU

February and farewells go hand-in-hand for, with the rolling in of the Valentine month

The elated 'crowned' title holders

comes the time to bid a fond adieu to our passing out students of Classes X and XII. 14th and 15th Feb '23 turned out to be days of excitement, joy and nostalgia all rolled into one for students and teachers alike.

Welcoming the tastefully attired boys and girls in Indian traditional wear, the teachers couldn't

help but feel a sense of pride to see their students carry themselves with poise and grace. Assembling for the memorable batch photograph in the school gardens had its own excitement and charm.

The poignancy of the day continued with the traditional lighting of the lamp to symbolize an auspicious start followed by the students placing lighted lamps around the school emblem to signify leaving their imprint behind and carrying their fire and passion forward. The classic mementos

that they received at the hands of their teachers added a special touch to the occasion. They felt blessed listening to their Principal, Mrs. Kanchan Ukey as she recollected their years in school and wished them the very best for all their future endeavours. Touching speeches by a few students took everyone down memory lane as they recollected fond memories of their school days.

The entertainment got off to a flying start with interesting games, a special PPT presentation capturing all their old beautiful memories in photographs and awarding interesting titles to quite a few deserving contenders. An impromptu dance party saw everyone having a gala time as they shook a leg or two on some peppy tunes.

A splendid lunch with everyone's favourite platters was another highlight of the day and thoroughly enjoyed by one and all. The festivities wouldn't be complete without the clicking of innumerable photos with friends and teachers to create memories for a lifetime.

A GOOD STORY SAYS IT ALL AT CPSWN

As they say, stories are the best triggers to spark off a vivid imagination and they can bring on smiles in any situation. No wonder we are all addicted to them. And some lovely stories really

caught the imagination of young minds at Centre Point School, WN especially when they were beautifully narrated by talented storytellers.

Young story buffs had a gala time when a week-long session of story-telling was conducted in the school library especially for the juniors of the primary classes. Their English and Hindi teachers were roped in and they captivated young hearts and minds as they regaled the students with great and wonderful stories. As a token of appreciation, all the volunteer teachers were gifted with a sapling for their efforts.

The happiness on the students' faces said it all.....no doubt they thoroughly enjoyed the session and would like many more sessions to be conducted in the coming years.

CPS, AB'S GRADE 7 LEARNERS EMBARK ON AN ADVENTUROUS TRIP TO HYDERABAD

“Travel is one of the most intense modes of learning.”

Snippets from the Hyderabad trip

To achieve this goal, Centre Point School Amravati Road Bypass had arranged for a 5 days 4 night-long educational trip for the learners of the 7th grade. The tour was organized with the help of Adventure Education Tours (Mumbai) Pvt Ltd. 74 students accompanied by 5 teachers set off on the mesmerizing journey on the 9th of March, 2023 and returned on 13th March, 2023. They embarked on the adventure by boarding the Rajdhani train at the Nagpur station.

After they arrived at their destination and checked into their hotel they had fascinating destinations to visit. They set off to

the Salar Jung Museum, one of the three National Museums of India. It has a wide collection of sculptures, paintings, carvings, textiles, manuscripts, ceramics, metallic artefacts, carpets, clocks, and furniture. The children admired the sculptures especially the clothes of that period, the toys, sculptures and the ceramics. They were lost in the world of artefacts which captured their attention and ignited their curiosity.

They were then gathered and taken to their next destination which was the Hyderabad Zoo. The zoo occupies 380 acres of land and has nearly 100 species of birds, animals and reptiles. The children boarded the battery-operated vehicles and were taken to different sections of the zoo. The children oohed and ahed when they saw the white lion, the Indian rhino, Asiatic lion, Bengal tiger, panther, gaur, Indian elephant, slender Loris, python, as well as deer, antelopes and birds. They also visited the aquarium, Dino Park, butterfly park and tortoise house. They thoroughly enjoyed the dainty butterflies hovering over their head. It was an exhilarating experience for them. The next day the children and teachers went to one of the largest and most glamorous film studios in the world, Ramoji Film City. It is spread across an area of almost 2500 acres; the architecture of the studio and the wide range of settings make it one of the favourite spots to visit in Hyderabad.

The place had amazing sightseeing places which catered to everyone. Various vintage bus services were operating within the Ramoji Film City to take them to the various studios and to give a tour of the city. The children enjoyed the cinematic experience and the filmmaking process. The amusement park was the second favourite part of Ramoji. The light show and the Hollywood studio were thrilling experiences where the stunts were mind-boggling. After an eventful day at Ramoji Film City, the children and the teachers returned to the hotel.

The last day of the trip began bright and early when the centre pointers began their day by visiting the Birla Temple. The temple manifests a blend of architecture. It is constructed of 2000 tons of pure white marble.

The main shrine has the massive statue of Lord Venkateswara and the temple also has separate shrines for various Hindu gods and goddesses. After getting the blessings, they left for the Golkonda Fort. At Fateh Darwaza in Golkonda fort, the children experienced the acoustic effect and the characteristic of the engineering marvels. A hand clap at a certain point below the dome at the entrance reverberates and could be heard clearly at the 'Bala Hisar' pavilion, the highest point almost a kilometre away. The children were awestruck when they experienced this.

The whole of the Golkonda Fort complex and its surroundings spread across 11 km of total area and discovering its every nook was an arduous task. The visit to the fort revealed the architectural beauty in many of the pavilions, gates, entrances, and domes.

The children were exhausted from climbing so many steps but were impressed by the history of the fort. Finally, after the last spot, they returned to the hotel ate their food, collected their luggage and left for Nagpur. The students brought home memories to be cherished for life.

THE NEW US @ CPS AB

“Nothing ever really goes away--it just changes into something else. Something beautiful!”

Unveiling the new logo

Similar to a butterfly, Centre Point Group of Schools too has gone through a metamorphosis, released from the cocoon, embraced its wings, and soared high! CPS now proudly announces the new change that it has embraced and that's none other than the NEW BRAND PHILOSOPHY AND THE NEW LOGO!!!

On 17.1.23, it was a day of celebration for every person present at Kalanjali, CPS, AB as we all witnessed the unveiling of the new logo and the

new brand philosophy of the Centre Point Group of Schools. Everyone was bubbling with joy and a sense of pride was evident in each one's eyes as the new logo's banner rolled down the majestic walls of the school. At that moment, the school's campus echoed with thunderous applause. The Principal, Mrs. Perveen Cassad addressed the assembly and explained the significance of the new logo to the kids. This was followed by a scintillating performance by our dynamic young kids. Through it, we got a glimpse of the new sets of school uniforms that the children would be possessing from the new session. They were excited about the new set of sports uniforms too. The very fact that they would see the school logo on various collaterals like, the uniform, the stationery, the certificates, etc., added to their enthusiasm. And then came the moment, when their eyes twinkled with immense pride as they saw the school's new flag unfurl in front of them.

Unveiling the new school flag

The new logo has a star in it which represents every student of Centre Point because we believe that every kid has the potential to shine in the best possible ways in their areas of interest. The blue colour depicts the trust that the kids have in the school and the pedagogies we follow. The laurel wreath symbolizes success, fame and prosperity.

Centre Point School's successful functioning has been witnessed by every Nagpurian for more than three decades. Today, we look back on the many wonderful times our institution has

had. CPS has grown into a leading educational institution because of the dedication and support of its staff, students, families, and alumni. Today, we celebrate our past but look forward to the future to ensure that our growth continues, so that, the generations to come, have the opportunity to learn, lead, engage, and succeed at our school.

We would like to take this opportunity to extend our gratitude to all our parents, children, alumni, staff and well-wishers for being a constant support and encouraging us to bring out the best in the kids. As we continue to contribute towards shaping society, we seek your blessings and cooperation! Together, let's shine on!!!

CPS, AB'S KIDS GO PICNICKING!

Picnic moments

Students of classes 6, 7, 8 and 11 of Centre Point School, Amravati Road Bypass had a gala picnic time at Lighthouse Water Park on 4th February 2023.

The students enjoyed to their hearts' content in the pool followed by which the amusement park was opened for our spirited teenagers. They were also taken on a walk to see the various beautiful birds in the bird park. It

was a surreal feeling to see them sit in circles and share food and treats with their friends. Alongside the fun in the park, the children also had an amazing time on the bus ride to the spot.

Singing songs to the top of their voices and dancing to the music was an experience of happiness one could never forget. It was a truly electrifying feeling to see them so stoked about a fun day, running around and making merry.

It was a much-needed day out for the zealous lot, a day outside the routine, a day where they could just chill out with their friends and even the teachers. The students came back with happy hearts and energized souls!

TRADITION MEETS SPORTS AT CPS, AB WITH KRIDAGUNJANUM

The performers of class I put up an enthralling performance

Centre Point School, Amravati Road Bypass organized the Ninth Biennial Senior Sports under the theme 'Kridagunjanum-Where Tradition Meets Sports' on 3rd February 2023 with revelry and vivacity. The Centre Point fraternity believes in the proverb 'All work and no play makes Jack a dull boy' and thus ensures hundred percent participation of the children for the sports meet. Group Captain Vijay Hardas (Retd.) and his wife Flight Lieutenant Karuna Hardas who holds the distinction of being the first lady officer of the Accounts branch of the Air Force, graced the occasion with their benign presence as the chief guests for the ceremony. The other dignitaries to bestow their blessings on the children were the Principal, of Centre Point School, Wardhaman Nagar, Mrs. Kanchan Ukey, and the Academic Head, of Centre Point School, International, Mrs. Ashlesha Chitnavis.

The joy quotient is a vital aspect of Centre Point classroom activities as well as the sports arena. Sports help one lead a balanced life and enrich one's personality with qualities of discipline,

sportsmanship, self-esteem, alertness, optimism and humility thus leading to the all-round development of the individual.

The events of our sports fiesta commenced with the lighting of the Mashaal and the torchbearers were none other than Iknoor Singh Bhamra, the Captain of the U-16 Vidarbha State team, Addhyan Rauthan, the Vice-Captain of the U-16 Vidarbha State team and Sayee Chandrayan our international level Martial Arts player.

Our sports contingent comprising the medal winners and participants of various sporting events at the D.S.O State level, CBSE National Level, National and International level sports came next.

The splendid march past by the students of class V in their respective houses Yellow, Blue, Red, and Green was a sight to admire.

The energetic performers of class II

Jessica Francis, the School Captain followed by the School Vice-Captain, Keerti Likhita led the marching contingents. Diya Taori the captain of Yellow House, Rupal Khairkar the captain of Red House, Siddhi Ghude the captain of Green House and Purva Bhalmey the captain of Blue House carried their troops forward with the spirit of sportsmanship. The young leaders with the other members of the squad left no stone unturned to showcase their skill of coordination and synchronization to put up an immaculate parade.

A graceful presentaion by our young gymnasts

The nail-biting performance by young gymnasts amazed the audience to the core. The display not only showed the physical, psychological and cognitive benefits of gymnastics but also endeavoured to demonstrate strength balance, and agility of the body.

Each drill depicted by the students from classes I to V was dedicated to a zone from India for the portrayal of its rich cultural heritage blended with its traditional sport or the sport that over time became its tradition.

The oriental blend of football with the Cheraw dance of Mizoram by the champions of 3rd grade gladdened the hearts of the audience and showcased the spirit of the northeastern part of India. North India is the melting pot of cultures. Our energetic performers of class 2 brought forth

the flavours of north India blended with the ethnic elements of the region with a lively presentation involving sports like hockey, dangal and kabbadi. The tiny tots of class 1, displayed unity in diversity with their beautiful kites depicting the beauty of west India. They also brought forth the festive experience of the cricket match from the Rajasthan Royals team. Our dynamic young warriors of Grade 5 performed the ancient Martial Art 'Kalaripayattu' the Pride of South India. The art form 'Kathakali' was also depicted by our little enthusiasts. Our young Gond tribes of class 4, the guardians of various traditions of central India portrayed the richness and ebullience of these traditions through their dance. They also sensitized the audience towards the protection of forests to help save the traditional tribes of India.

Our young footballers of class III

The intriguing Mallakhamb display

Mallakhamb, a traditional Indian Sport was performed by the young acrobats on the rope suspended from the pole. Every child was able to manoeuvre with a firm grip and dexterity on the rope. To watch their twist and turns in the air was a treat for everyone present at the venue.

Along with many presentations, flat races and fancy races were organized on the spot where the sprinters and the other racers gave their

hundred percent to take away the coveted medals. For a few athletes it was a decisive victory with a superb finish. Trophies for various sports competitions hosted inter-house were also given to the winning houses. The Yellow House bagged the Tug of War trophy. The Red House lifted the trophy for Discipline. The Green House's marching contingent was declared the best! The coveted Overall trophy was claimed by Blue House. The prizes to the winners were given by the chief guests, Principal, Mrs. Perveen Cassad Ma'am and Vice-Principal, Mrs. Bhakti Bobde Ma'am. Our

traditional sports form an integral part of our culture. Playing a sport goes beyond the recreational element or even fitness. Sports bring people of various beliefs and faiths together. Some of the most important values and lessons of life are learned on the sports field. With Krida gunjanam the school envisioned sports to become a pivotal part of everybody's tradition as well and that this rich legacy is also passed down to the next generation.

The neat entry and exit of every participant was the result of the plethora of hard work and dedication put in by the teachers and the helping staff. This was also appreciated by the Chief Guest, Group Captain, Vijay Hardas in his address. He also shared experiences of his glorious service with the Indian Air Force. The programme culminated with vote of thanks given by the Principal, Mrs. Perveen Cassad and the National Anthem.

CPSWN CELEBRATES REPUBLIC DAY WITH PATRIOTIC FERVOUR

Mrs. Kanchan Ukey unfurling the National Flag

The staff and students of Centre Point School, WN celebrated Republic Day with great fervour and enthusiasm. The choir also put up a great show singing patriotic songs and bringing everyone into nationalistic mood which was tangible when the Principal Mrs. Kanchan Ukey unfurled the Tricolour and the National Anthem was rendered.

The students of Classes 6 and 7 staged a great mime act where they showcased different aspects of our republic and invited audience participation as well. Thought-provoking speeches were also given by Class 8 students on the importance of the Republic day together with a melodious rendering of the Preamble Song.

In her speech, Vice Principal Mrs. Jayati Chakraborty elaborated on the thread of commonality which all national leaders share since the time India attained its Republic status. She urged the students to take their example to dream and dream big as that will help them to SHINE ON.

Three exemplary students of Class 12 were awarded as STUDENTS OF THE YEAR on this day as well. From the Humanities Department, Abhinav Somani won the trophy for his unparalleled school spirit and superb behaviour. He has also secured the all INDIA rank ONE in CLAT (Common Law Admission Test) and AILET (All India Law Entrance Test). Following him was Punit Sarda from the Commerce Department who received the award. Punit is a well-known MUNner and quite popular amongst his peers and juniors alike. This charming and intelligent boy's knowledge on world affairs and cryptocurrency knows no bounds. Mahek Shah from the Science Department won the best student award too. She has been a wonderful student, gentle and kind to everyone alike. She has also represented the girls' cricket team numerous times during her years in school. These three students are the culmination of everything good that the school has to offer.

They are a perfect example of how one can excel when they balance academics with co-curricular activities.

This brought on the end to the festivities of the day and on the tune of 'kadam kadam badhaye ja' the students dispersed.

The school management and staff applauded the efforts of the Social Science Department in staging the mime and preparing the young speakers.

CPSKR STAFF PICNIC TO THE GREEN HEAVEN RESORT, KARANDLA

The CPSKR
Team

The CPSKR Staff Picnic to GREEN HEAVEN on January 27, 2023, was a resounding success, bringing together teachers from various departments for a day filled with fun, games, and camaraderie. The event took place at a picturesque venue, creating the perfect backdrop for a memorable day.

The day began with great excitement as the teachers eagerly awaited the arrival of the bus.

Ready to Start

They took the opportunity to capture the joyful moments by clicking photos and documenting the event. As the bus departed for the venue, the teachers' spirits were high. They sang songs, creating a lively and cheerful atmosphere throughout the journey.

Upon arrival at the venue, everyone was greeted with a delectable breakfast spread. The teachers indulged in a variety of delicious treats, enjoying the chance to relax and socialize. Later

in the afternoon, a sumptuous lunch was served, featuring a wide array of dishes to cater to everyone's tastes. The meal provided a fantastic opportunity for the staff to energize for the

activities planned for the rest of the day and to engage in informal conversations and strengthen their bonds. In the evening, a delightful high tea was served, offering a range of refreshments and giving time to everyone to relax after the games and activities of the day. To encourage team building and friendly competition, several games and activities were organized. The teachers participated in games including housie, tug of war, and volleyball, bringing out their competitive spirit while also fostering a sense of unity. Laughter and cheers filled the air as the teachers engaged in these activities, creating lasting memories.

Happy Moments

The teachers let loose and showcased their dance moves on the sprawling lawn. The atmosphere was vibrant, with music playing and teachers celebrating with infectious enthusiasm.

Happy Birthday

The event became even more special as some of the staff members celebrated birthdays by cutting a cake and sharing their joy with everyone present.

The Director Principal, Mrs. Shilpee Ganguly distributed prizes to appreciate and acknowledge the efforts of the winners of housie and tug-of-war. The gesture was well-received and added an element of recognition and

encouragement to the event. The appreciation shown by the Principal further uplifted the spirits of the teachers and reinforced the sense of community within the school.

The staff picnic was a remarkable event that brought together staff members on a day filled with joy, laughter, and celebration ensuring a positive and motivated school environment. The health and wellness committee planned and conducted the entertaining games. The school management was appreciated for facilitating the thoughtful event for the staff.

FUN TIME FOR THE CPSWN STAFF

Having a whale of a time with friends

After an academic session packed tight with classes, examinations and extra-curricular activities galore, it was time for the staff at Centre Point School, WN to let their hair down and taste the chill pill. And this happened at a happening place called the Tiger Paradise Resort at Umred.

The teachers had a gala time frolicking around in the water amusement park, dancing their hearts out to some foot tapping music and also playing dumb charades. The sumptuous platter of dishes for lunch was the icing on the cake. Of course, no fun outing can be complete without the clicking of innumerable photos and even shooting videos to capture all those wonderful moments for a lifetime. The enjoyment continued in the bus journey as well which goes to show what a fun group teachers are!

A big 'thank you' from the teachers went out to the self-esteem and morale committee and the management of the school for organizing this picnic. It was a great way for everyone to unwind and have a whale of a time.

TANMAY PARIKH OF CPS, KATOL RD IN TEAM INDIA FOR ISEF DALLAS, TEXAS

Tanmay with the IRIS Grand Award

Tanmay Parikh of class 12, Science Stream, Centre Point School, Katol Road, has been selected in 2023 as one of the 20 students of Team India who will represent India at the Regeneron International Science and Engineering Fair (ISEF) Dallas, Texas in May '23. His project in the Chemistry category, titled 'Innovative Use of Nanoparticles against Industrial CO₂ Emissions' won the prestigious Grand Award at the Initiative for Innovation and Research in Stem (IRIS National Fair) Tanmay faced a rigorous selection process conducted by eminent scientists and domain experts. In this project he used specific nanoparticles to solve the main issue with the chemical absorption process in Carbon Dioxide capture i.e. the high costs associated with spent solvent regeneration. With his innovation,

Tanmay managed to significantly lower the energy required for complete CO₂ desorption and hence minimize the cost. If translated to a large scale, this would mean that most industries in the world would be able to capture their CO₂ emissions, thus it being hugely beneficial for our environment. His project will now be chiselled by eminent scientists and he will be provided with the necessary insights through three mentorship camps before the final flag off ceremony in Dallas.

International Science and Engineering Fair (ISEF) is the world's largest international pre-college science competition, held annually in the U.S. Every year, tens of millions of students participate in science fairs around the globe but only about 1,800 from around 85 countries earn the right to compete for nearly \$5 million awards bestowed each May at the Regeneron International Science and Engineering Fair (ISEF) held at U.S. This year, the fair is scheduled to be held at Dallas, Texas from 12th to 19th May 2023.

national fairs conducted in their respective countries. For selection to Team India, IRIS National Fair conducts a rigorous selection process. Each year, research-based science projects by young students, across 21 subject categories—are reviewed by an eminent jury comprising scientists and domain experts. Then, the shortlisted entries are showcased at the annual IRIS National Fair. After working passionately on his project for about 8 months Tanmay displayed his project at IRIS

National Science Fair held at DAIC, New Delhi from 20th to 22nd January'23. Out of more than 100 exemplary projects shortlisted for the National Fair, his project was among the 20 best ones selected for ISEF.

It may be mentioned here that Tanmay has maintained a commendable balance between his research on the project and his preparation for his class 12 board exam to be held shortly. In his words 'This is a life changing experience'.

His success was acknowledged and commended in the Republic day celebration held in school where Tanmay addressed the students and motivated them to take this opportunity and work passionately 'to make a change in our planet earth'.

In a commendation letter to the Director Principal, Sharon Kumar, IRIS Fair Director expressed 'appreciation for the encouragement and support provided by Centre Point School in this initiative by the student'.
